There is a 1:2 ratio of caregivers for these children. Generally speaking the youngest (ages 1,2,3) will be taken care of in Room 302, space which includes a small kitchen and a bathroom. We will have cribs, a play area, books, toys, and cardboard for making forts. Parents and grandparents are most welcome to stop in and visit, and we'll know where to find you if there is a need. And, as we all know, sometimes it is best to "drop and run" to avoid separation anxiety! Sue Cyr is a practiced grandmother who served in this capacity at the 2013 Conference. She is also the "other grandmother" to Robin and Jan's grandchildren! Anyone wishing to make an actual *commitment* to reliably helping out should contact Robin at [robin.marshall@alstrom.org](mailto:robin.marshall@alstrom.org). Concerns or special needs should be shared with Sue at [cyr877@aol.com](mailto:cyr877@aol.com).

The older children, ages 4, 5, 6, will be using the Carver Room down on the first floor opposite the pool. This room will be set up prior to your arrival and will be available throughout the conference - from early morning to late evening - before and after scheduled off-campus activities and planned coverage. There will be tables for coloring, puzzles, games, bean toss, indoor bowling, reading space, and more.

The off-campus activities planned include a field trip to the Cape Cod Children's Museum, a Pirate Ship Adventure, Games and Bounce House Activities at the Pump n' Jump, some coin animal rides, a Lobster Excursion, and Chelsea's Olympics on Sunday morning in Nelson Park. ALL attendees are going on the Whale Watch and to Edaville, USA Amusement Park on Sunday afternoon.

Coverage begins at 08:00 and ends at 17:00 when children rejoin their families. Please share any special needs or requests with the leaders. Please plan to handle any required medications yourself or make specific arrangements with Sue to help you out when the children are off-campus.

The full activity schedule for all groups is available on [www.alstrom.org](http://www.alstrom.org). **Requests to change groups or activities can NOT be accommodated.**
