There is a 1:1 ratio of caregivers for these children. Generally speaking they will be off-campus for all of both Friday and Saturday to enable all parents and professionals to be hands-free to attend all sessions. If you have questions or require clarification, please contact Robin at [robin.marshall@alstrom.org](mailto:robin.marshall@alstrom.org). Concerns or special needs should be shared with either group leader or with Randy Douglas, Conference Activity Director, prior to departure.

The off-campus activities planned include a visit to Plimoth Plantation, an adventure in the trees at Heritage Museum Adventure Park, a visit to Sky Zone, an encounter with Lobsters, a challenge at the Mystery Room, and scheduled time with Exhibitor's, Vendors, and Presenters in the Let's Talk Tech space in the Board Room (first floor of the Hotel). ALL attendees are going on the Whale Watch and to Edaville, USA Amusement Park on Sunday afternoon and evening.

**Please NOTE: You MUST sign an online waiver IN ADVANCE for the Adventure Park available at <https://www.smartwaiver.com/w/54f4cdacd425d/web/>. Your child will NOT be allowed on any course without it. We suggest you complete it immediately! Please be advised that this group is partially restricted to climbs they can handle! Fear not, their Buddies (all 18+) will be with them every step of the way!! Adventure Park staff as well.**

**Please NOTE: It is still quite cool in New England. Dress appropriately and have a warm sweater or jacket available. Secure footwear is a MUST for this activity. No sandals, no clogs, no slip-ons!**

**Please NOTE: You must also execute the following online waiver for your child to enjoy the trampolines at Sky Zone. <http://www.skyzone.com/kingston/Online-Waiver/WaiverType/NoPaper>**

Friday and Saturday, coverage begins at 08:00 and ends at 17:00 when children rejoin their families. In the afternoon and during the evening, children are welcome to visit both Carver Room and Plympton Room, both activity rooms, located opposite the pool. The pool itself is available, but, PLEASE, make sure your child is supervised by an adult.

The full activity schedule for all groups is available on [www.alstrom.org](http://www.alstrom.org). A list of Activity Websites with hot links is also available there.

**Sorry, but requests to change age groups or activities can NOT be accommodated.**
